

5TH INTERNATIONAL SYMPOSIUM ON UREA CYCLE DISORDERS

MAPPING PROGRESS: _____
CURRENT CONCEPTS AND NEW INSIGHTS
IN UREA CYCLE DISORDERS

SEPTEMBER 22-24, 2021

Organizing Committee Members and Roles

Symposium Co-Chairs

Andrea Gropman, MD

Ambassador to the Symposium, Scientific Program Subcommittee, Day 2 Co-Chair
Professor, Neurology and Pediatrics, George Washington University
Chief, Division of Neurogenetics and Neurodevelopmental Disabilities, Children's National Hospital, Washington, DC
Principal Investigator, Urea Cycle Disorders Consortium

Cynthia Le Mons

Ambassador to the Symposium, Scientific Program Subcommittee, Poster Session Subcommittee, Day 1 Co-Chair
Executive Director, National Urea Cycle Disorders Foundation, Pasadena, CA
Principal Investigator, Urea Cycle Disorders Consortium

Symposium Scientific Program Subcommittee

Matthias Baumgartner, MD

Day 1 Co-Chair
Professor, Pediatrics and Metabolic Diseases
Director, Division of Metabolism and Swiss Newborn Screening, University Children's Hospital Zurich
Principal Investigator, E-IMD, Zurich, Switzerland

Gerard T. Berry, MD

Day 1 Co-Chair, Liaison to ICIEM Organizing Committee
Director, Metabolism Program, Division of Genetics, Children's Hospital Boston
Professor of Pediatrics, Harvard Medical School, Boston, MA

Lindsay C. Burrage, MD, PhD

Day 2 Co-Chair
Assistant Professor, Dept. of Molecular and Human Genetics, Baylor College of Medicine
Clinical and Metabolic Geneticist, Texas Children's Hospital, Houston, Tx

Cary O. Harding, MD

Associate Professor of Molecular and Medical Genetics
Oregon Health & Science University, Portland, OR

Stefan Kölker, MD

Professor, Head of the Division of Inherited Metabolic Diseases, University Children's Hospital
Coordinator, E-IMD, Heidelberg, Germany

Sandesh C. S. Nagamani, MD

Day 3 Co-Chair, Poster Session Subcommittee Chair
Associate Professor and Vice Chair of Clinical Research, Department of Molecular and Human Genetics, Baylor College of Medicine, Houston, TX
Principal Investigator, Urea Cycle Disorders Consortium

Symposium Scientific Program Subcommittee, continued

Oleg Shchelochkov, M.D., FAAP, DABMG

Scientific Program Subcommittee, Day 3 Co-Chair
Associate Research Physician, Medical Genomics and Metabolic Genetics Branch, National Human Genome Research Institute, National Institutes of Health, Bethesda, MD

Other Organizing Committee Members

Susan A. Berry, M.D

Publication Subcommittee Chair
Professor, Division of Genetics and Metabolism
Departments of Pediatrics and Genetics, Cell Biology & Development, University of Minnesota, Minneapolis, MN

Kia Bryan

Operations Manager
Clinical Research Coordinator, Urea Cycle Disorders Consortium, Washington, DC

Can Ficicioglu, MD, PhD

Professor of Pediatrics, Perelman School of Medicine at the University of Pennsylvania
Clinical Director of Section of Biochemical Genetics, The Children's Hospital of Philadelphia (PA)

Tracy M. King, MD, MPH

Advisor
Medical Officer, Intellectual and Developmental Disabilities Branch (IDDB)
Eunice Kennedy Shriver National Institute of Child Health and Human Development (NICHD), National Institutes of Health (NIH), Bethesda, MD

Roland Posset, MD

Center for Child and Adolescent Medicine, Neuropaediatrics and Metabolism Section, Heidelberg University Hospital, Heidelberg, Germany

Jennifer Seminara, MPH, CCRP

Operations Manager
Clinical Research Program Manager, Urea Cycle Disorders Consortium, Washington, DC

Bridget Wilcken AM, MD, FRACP

Advisor
Emeritus Professor, Children's Hospital at Westmead, Department of Biochemical Genetics, Sydney, Australia
