

Agenda for Dystonia Coalition's Second Annual Meeting
Day 1: Research Priorities for Cervical Dystonia
 21-22 October 2010
 Emory University Conference Center, Atlanta GA

8:00am	Welcome	Jinnah/Comella
8:05am	Goals for the meeting	

Clinical manifestations & treatment		Chair: Comella/Lang
8:10-8:25am	Motor manifestations & diagnosis of CD Comments & questions	Bhatia
8:35-8:50am	Non-motor manifestations of CD Comments & questions	Zurowski
9:00-9:15am	Oral agents, botulinum toxins treatments & their limitations in CD Comments & questions	Jankovic
9:25-9:40am	Surgical treatments & their limitations in CD Comments & questions	Ostrem
9:50-10:05	The role of physical therapy in CD Comments & questions	Kimberley

10:15-10:30 BREAK

Clinical science		Chair: DeLong/Vidailhet
10:40-10:55am	Anatomy & physiology of normal head/neck control Comments & questions	LeDoux
11:05-11:20am	Imaging studies of CD Comments & questions	Carbon-Correll
11:30-11:45am	Physiology of CD Comments & questions	Hallett
11:55-12:10pm	Pathology & pathogenesis of CD Comments & questions	Jinnah

12:20-1:20pm LUNCH

Basic science		Chair: Perlmutter/Jinnah
1:30-1:45pm	Genetic findings of relevance to CD Comments & questions	Ozelius
1:55-2:10pm	Cell & molecular biology relevant to CD Comments & questions	Dauer
2:20-2:35pm	Animal models of CD Comments & questions	Hess

2:45-3:00 BREAK

Unanswered questions & research priorities		Chair: Comella/Lang
3:10-3:25pm	Unmet needs in treatment-oriented research Panel discussion	Bhatia/Zurowski/Jankovic/Ostrem/Kimberley
3:35-3:50pm	Unmet needs for clinical/translational research Panel discussion	Chair: DeLong/Vidailhet LeDoux/Carbon-Correll/Hallett/Jinnah
4:00-4:15pm	Unmet needs for basic research Panel discussion	Chair: Perlmutter/Jinnah Ozelius/Dauer/Hess/LeDoux
4:25 pm	Closing comments	

Dinner & Speaker

6:30pm	Special Opportunities for Rare Diseases Christine Mueller MD, Medical Review Officer, FDA Office of Orphan Products Development
--------	--

Agenda for Dystonia Coalition's Second Annual Meeting
Day 2: Dystonia Coalition Progress & Plans
 21-22 October 2010
 Emory University Conference Center, Atlanta GA

8:00am	Welcoming Remarks	Ami Rosen
8:10am	Career Development Program: Goals and Selection Criteria	Mark Hallett
8:20am	Update from 2009 Awardee	Maren Carbon-Correll
8:30am	Plans for 2010 Awardee	Mateusz Zurowski
8:40am	Plans for 2010 Awardee	Alberto Espay
8:50am	Pilot Project Program: Goals and Selection Criteria	Stewart Factor
9:00am	Sequence Variants in Primary Dystonia	Mark LeDoux
9:10am	A Novel Rating Scale for Blepharospasm	Giovanni DeFazio/Davide Martino
9:20am	Cerebellum and Cortical Plasticity: The Case of Focal Dystonia	Emmanuel Roze
9:30am	DYT6 dystonia – A Window to the Mechanisms of Primary Dystonia?	Kailash Bhatia
9:40am	Patient Advocacy Group Update & Plans	Kim Kuman
10:10am	BREAK	
10:30am	Project 1: Natural History & Biorepository	Joel Perlmutter
	Goals of the study	
10:40am	Project 2: Comprehensive Rating Scales for Cervical Dystonia	Cynthia Comella
	Goals of the study	
10:50am	Project 3: Diagnostic & Rating Scales for Spasmodic Dysphonia	Christy Ludlow
	Goals of the study	
11:00am	Dystonia Coalition Administrative Update	Buz Jinnah
	Year One Progress Report	
	Thanks to our Sponsors	
	Collaborating & the Dystonia Coalition	
	The 5 th International Dystonia Symposium	
11:15am	Project 1: Natural History & Biorepository	Joel Perlmutter
	Instructions for participating	
	Interacting with the NINDS Biorepository at Coriell	Matt Self
12:45pm	LUNCH (Working Groups: Project 1, Project 2, Project 3, PAGs)	
2:00pm	Project 2 & Project 3 Break-out Sessions	Cynthia Comella & Christy Ludlow
	Instructions for participating	
3:30pm	General meeting adjourned	
4:00pm	DC Steering & Executive Committees meet to review progress	

Special thanks
to our
sponsors:
